ABOUT

About Ali.

A neighbour. A family man.
A community-first voice for Moncton.

A neighbour running to serve every neighbour.

Moncton is at a turning point. The people who live here deserve a council that listens, reviews, and acts.

I'm Ali Ettarnichi. I'm running for Moncton City Councillor At-Large.

I have called Moncton home for over 15 years — since 2007. I work here. I raise my family here. I volunteer here. I speak three languages. I know the people who make Moncton what it is.

I hear the same things again and again. Rent is too high. Downtown does not feel as safe as it used to. Seniors are being left behind. Too many residents feel City Hall is far away from their daily lives.

I am running to change that. I will represent all of Moncton. Every ward. Every neighbourhood. Every language. Every background.

LEADERSHIP

**Listen.
Review.
Act.**

Three words.
One way of leading.

Three words. One way of leading.

More than a slogan. A promise. Ali will show up at the council table, in your ward, and at your door.

01

Listen

First, and often.

Knock doors. Host ward meetings. Return every call. Your feedback is the starting point, not an afterthought.

02

Review

Take a fresh look.

Bring curiosity, evidence, and the courage to change your mind when the facts say so. Old answers will not fix Moncton's problems.

03

Act

Be measured by results.

Clear deadlines. Public progress reports. A council that does what it promised, by the date it promised. That is what voters deserve.

— ALI ETTARNICHI —

"More than a slogan. A promise. Ali will show up at the council table, in your ward, and at your door."

03

PRIORITIES

Three pillars.

One promise to Moncton.

01

Strong Community

02

Sustainable Housing

03

Safe & Inclusive

01

Strong Community

Neighbourhoods that support families,
seniors, and newcomers.

A COUNCILLOR ALI WILL:

Open office hours every month, in every ward.

Stronger ties between long-time residents and newcomers.

Anglophone and francophone communities, seniors and youth, closer.

Accessibility built into every city service.

Welcome international students with city services in their language.

02

Sustainable Housing

Reasonable development that keeps Moncton affordable and livable.

A COUNCILLOR ALI WILL:

Hold the line on home property taxes.

Cut red tape on apartments and infill housing.
More homes, faster.

Plan growth that fits our neighbourhoods.

Advocate to the province to update tenant laws and cap rent.

Lower transit and rec fees for seniors, students, and low-income families.

03

Safe & Inclusive

Safer streets and welcoming public spaces, where every resident belongs.

ALI WILL:

Visible, community-focused public safety.

Real action on houselessness, mental health, and addictions.

Welcoming downtowns and neighbourhoods, day and night.

Safe routes to school in every ward.

Live-streamed council meetings in both languages.

EVENTS & MEETUPS

On the doorstep. Across the city.

8 events. Many neighbourhoods.
One campaign that shows up.

On the doorstep. Across the city.

A campaign isn't a press release. It's coffee with seniors at People Park, a Grade 10 civics class at Harrison Trimble, a Saturday at House of Nazareth Shelter, and the volunteers knocking doors right now.
